MidSouth Donates to Macon Film Festival

Macon, GA (February 14, 2008) – Terrell Sandefur recently accepted a sponsorship donation from MidSouth Federal Credit Union Marketing & Development Specialist, Melissa Methven. Mr. Sandefur is over Media and Sponsorship Sales for the Macon Georgia Film & Video Festival. The Macon Georgia Film & Video Festival, also known as MAGA, was created to celebrate the art and craft of the moving image and to give light to films which rarely appear in Macon, particularly those that are independent, experimental, and short in length. MAGA is open to filmmakers working in all media, genres and themes. The festival will showcase special screenings that are open to the public. This year's Macon Film Festival is from February 21st – February 24th, and takes place in downtown Macon at the Cox Capital Theatre.
