**FOR IMMEDIATE RELEASE:**

## Early Learning Center Tours MidSouth

Milledgeville, GA (January 18, 2008) – On January 18<sup>th</sup>, the Early Learning Center celebrated its 100<sup>th</sup> day. Classes from the Early Learning Center visited MidSouth Federal Credit Union for a tour of the credit union and the opportunity to change 100 pennies into one dollar. Each student in Ms. Johnson and Ms. Simons' Pre-K classes brought in 100 pennies in which they each ran through the credit union coin machine. Once the students retrieved their receipt from the coin machine, they each exchanged their receipt for a \$1 bill. In celebration of the Early Learning Center's 100<sup>th</sup> day, MidSouth FCU gave each student a pencil and coin notepad that they could take home with them. The classes then visited the Dollar Store to spend their money.
