## MidSouth Donates to GCSU Foundation

Milledgeville, GA (July 3, 2008) – Dr. Dorothy Leland, President of Georgia College & State University, recently accepted a check from MidSouth Federal Credit Union VP of Development, DeAnn Dent. The donation went to the GCSU Foundation’s Heritage Fund, in support of GCSU’s continued growth and development in the Middle Georgia community.

According to the college, proceeds from the Georgia College & State University Heritage Fund provide crucial funding in several areas such as student scholarships, improved academic facilities, state of the art classroom technology, support for faculty research and projects, and support for events such as lectures, concerts, and cultural events to benefit students, alumni and the community. Last year, GCSU opened their Center for Graduate & Professional Learning in downtown Macon.

MidSouth Federal Credit Union was originally chartered as Bibb Teachers Federal Credit Union, and has since grown to have more than \$120 million in assets and a membership that includes more than 35,000 members. The mission of MidSouth FCU is to provide personalized and competitive financial services to its members. Membership is open to anyone who lives, works, worships, or goes to school within their 13-county community charter.
