## United Way of Central Georgia

The credit union pledged a donation of \$10,500 as part of the 2015 campaign to benefit United Way of Central Georgia and their Partner Agencies.

This donation was made possible in part by branch fundraisers and employee gifts, in addition to the credit union's annual corporate donation.

## Read for the Record

The Bibb County School District, alongside community partner United Way of Central Georgia, participated in Jumpstart's 10th annual Read for the Record campaign.

Read for the Record is a national event in which millions of adults and children celebrate literacy by participating in a large scale reading experience. More than 80 local community members, including one of MidSouth Community's associates, participated in this year's Read for the Record event. The book selected for this year's campaign was "Not Norman: A Goldfish Story," by Kelley Bennett.
